About Me

After earning a degree at BYU I became interested in computer coding and web development. I started a night class through the Applied Technologies program at SLCC and came to really enjoy coding. Currently I have been training at an accelerated tech training program in Lehi, Utah. I've learned of and practiced, **HTML**, **SCSS**, **JS**, **REACT.js**, **Python**, **PHP**, **Git**, **MongoDB**, **SQL**, and **PowerShell**. I enjoy coding, and continually improve my skills and knowledge each day.
